**Standish, Maine (NEWS CENTER)** -- Fire has destroyed a home and a barn attached to the home in the town of Standish.

The fire broke out at 2:45 Saturday morning on Route 114. It took firefighters about an hour and a half to get the fire under control. Fire captain Abe Newton says a shortage of manpower and a lack of water supply made it difficult to fight the fire. Newton says the Tanker Task Force was called in to help put out the blaze.

There were no injuries in the fire. The home and barn are a total loss. The state fire marshal's [office](#) has been called in to help determine the cause of the fire. Firefighters from Buxton, Limington, Windham, Gorham, Baldwin, Naples, Raymond, Cornish, Hollis, Bridgton, Sebago, were all called in to help out.
